### 1/ Discussion on Annual Raffle.

The chairman stressed the need for finance because of incidental costs such as running the club-house, i.e. heat, electricity, playing fees etc. There was also a need to look to the future development of the playing field and finding finance to carry out the necessary improvements. The chairman looked for an up to date position on the raffle. Club secretary Luke Walsh said it was hard to say at this stage who well they are selling but that there were 2,000 books out and hopefully it will go well on the night. The committee discussed ways and means of improving raffle ticket sales. It was suggested that a determined effort should be made to sell the tickets in all the local pubs etc. There was talk about sponsorship. It was decided at this stage not to name individuals but that committee members would approach business contacts and friends to seek same. There was a further discussion on the raffle and it was suggested that a

concentrated effort be made to do a general sweep of the area on the Saturday before the raffle.

## 2 Dinner.

Michael Caulfield gave details of menu. Choice of soup or desert. Roast chicken, vegetables and potatoes and finish with tea or coffee. The music will be provided by Willie Kearney's band. (Rainbows) Tickets will be £6-50 each. Luke Walsh, club secretary said we would have to invite special guests. County Board chairman, Paddy Muldoon, and West Board chairman Fr. Fode, county board secretary John Prentis, John Melvin and Fr. J. J. Cribben. It was decided to call it a Dinner Dance.

3 There was a discussion on the Junior team and it was suggested to go to the team members after Christmas for proposals and suggestions etc. There was a very constructive discussion on the team performance in the West final this year and it was hoped that the whole club could get it's act together between players and selectors and learn from the mistakes made in the West Final.

It was suggested decided to have our next meeting on Thursday 18th. December, 1986. @ 8-30 pm.
